Warnings and Notes
Incidental datasheets (datasheets not reporting all species seen) are included.
Data for rare species may include records not reviewed by the Rarities Panel.
Data collected for the ACT Atlas (1 Sep 1986 to 31 Aug 1989 - Year ending 1987-1990) is included. The number of birds seen was not recorded for these data.
This does not impact on the reporting rate data presented here.

Conditions for use
These data and copyright and other intellectual property rights in these data are and shall remain the property of Canberra Ornithologists Group (COG). COG must be acknowledged in any report, document or publication in which these data are used.
These data are provided with the following statement as to the quality, which must accompany these data in any report, document or publication in which these data are used.
These data were collected by amateur bird watchers using various survey methods. Note that on some occasions more than one person may have recorded bird sightings on the same day.
